Brandon Dambeck

Operations Manager – Vero Beach Regional Airport

Brandon Dambeck is the Operations Manager at Vero Beach Regional Airport. Mr. Dambeck brings pilot knowledge, and most importantly a passion for aviation to his role for the Airport and the community. In 2013, Mr. Dambeck enrolled at the Florida Institute of Technology where he earned a Bachelor's degree in Aviation Management with flight, a minor in Aviation Safety, and participated in the Air Traffic Controller Training Initiative (AT-CTI) program. While studying, Mr. Dambeck went through flight training and earned his Commercial Multi-Engine Instrument Pilot Certificate. Soon after graduating, Mr. Dambeck began his aviation career at the Vero Beach Regional Airport when he was hired as a Management Intern. Following his internship he was hired part-time to assist with security for Airline Operations. At the tail end of 2018 Mr. Dambeck was hired on full time basis as a Business Specialist. In this position he began to handle lease agreements for the City owned T-hangar facility, lease agreements for the Citrus Park Village Mobile Home Park, and License Agreements for temporary use of Airport property.

In 2019, Mr. Dambeck was promoted to his current position of Operations Manager. In this position he performs many duties to include hangar leasing, CFR part 139 compliance, grant administration, and project management. Mr. Dambeck is currently enrolled in a program at the Florida Institute of Technology to receive his Master's in Public Administration. He serves as the Chair for the Treasure Coast Region for the Continuing Florida Aviation Systems Planning Process (CFASPP) and the Vice-Chair of the General Aviation Committee for the Florida Airports Council. If you are interested in hangar rental or have any questions with regards to the Airport's operations please contact Mr. Dambeck with the information below.
