Brandon Dambeck

Operations Manager – Vero Beach Regional Airport

Brandon Dambeck is the Operations Manager at Vero Beach Regional Airport. Brandon brings pilot knowledge, college education, and most importantly a passion for aviation to his role in the community.

In 2013, Mr. Dambeck enrolled at the Florida Institute of Technology where he earned a bachelor's degree in Aviation Management with flight, a minor in Aviation Safety, and participated in the Air Traffic Controller Training Initiative (AT-CTI) program. While studying Brandon went through flight training and earned his Commercial Multi-Engine Instrument Pilot Certificate. Soon after graduating, Mr. Dambeck began his aviation career at the Vero Beach Regional Airport when he was hired as a Management Intern. Soon after his internship he was hired Part-time to assist with security for Airline Operations.

At the tail end of 2018 Mr. Dambeck was hired on full time as a Business Specialist. In this position he began to handle lease agreements for the city owned T-hangar facility, leases agreements for the Citrus Park Village, and License Agreements for temporary use of Airport property.

In 2019 Brandon was promoted to his current position of Operations Manager. In this position he performs many duties to include hangar leasing, CFR part 139 compliance, grant administration, and project management. If you are interested in hangar rental or have any questions with regards to the Airport's operations please contact him with the information below.
