**LISA ROSS**

*Commercial Leasing and Property Administrator- Vero Beach  
Regional Airport*

Ms. Ross is the Commercial Leasing and Property Administrator for the Vero Beach Regional Airport. Lisa has been employed with the City of Vero Beach since 1988, transferring to the Airport in 2008. Lisa is a former co-owner/operator of a construction business and brings 25 years of construction knowledge and experience with her. Ms. Ross obtained a technical certificate in Accounting Applications in 2000, then graduated in 2001 with an Associate Degree in Accounting Technology, from Indian River Community College. Ms. Ross plans are to obtain her Bachelor's Degree in the near future.

Ms. Ross began her adult career as a manager of Crafts & Stuff, f/k/a Ben Franklin custom framing department, then changed her career path in 1986 by accepting a position at a local bank as an automobile draft, mutilated currency, and foreign currency teller. In 1998, she was recruited by the City of Vero Beach, where she has worked in a number of different positions until accepting a position with the airport staff in 2008.

In her position as Commercial Leasing and Property Administrator, Ms. Ross handles Building and Facility Management and Project Management. She is also responsible for all Commercial Non-Aviation, Commercial Aviation, Fixed Base Operator (FBO), Specialized Aeronautical Services Operator (SASO), and Land Developments Leases, to include Lease Administration, Modifications, Renewals, Amendments, Addendums, etc.

If you have any questions regarding any of the above or just to chat about airport property at the Airport, please contact Ms. Ross at the information provided.
