

Biography

ALICIA MEDINA
Airport Security Specialist
Vero Beach Regional Airport

Alicia Medina is the Airport Security Specialist for Vero Beach Regional Airport. Alicia is a Fort Pierce resident where she was born and raised. She graduated from Fort Pierce Central High School in 2014. Alicia started working for St. Lucie County Florida Department of Health in 2016 as a financial counselor. In 2018, she moved to the Respiratory Clinic assisting with tuberculosis treatment in St. Lucie for the Health Department. As a frequent flyer, Alicia always visited Fort Worth Texas to see her family and friends as her home away from home. Flying into Dallas/Fort Worth International Airport piqued her interest in aviation where she became a trusted agent working at their badging office in 2022. As a new employee in the airport industry, she learned the Transportation Security Administration (TSA) badging process and realized its importance to airport security. Issuing many badges to airport staff, airline workers, and law enforcement she enjoyed her job and the people she met along the way. As much as she loved Texas and DFW, Alicia moved back to Fort Pierce, Florida in June of 2023 where she started working for Martin County Health Department as a staff assistant until joining Vero Beach Regional Airport in October. Alicia is responsible for issuing, activating, and deactivating access media badges for areas in VRB airport; capturing biometric identifiers for reviewing and maintaining criminal history records check (CHRC)/background checks, auditing media access control of tenants at VRB airport. Ensuring compliance with airport and TSA regulations, and other security related issues. If you need any general information regarding a new badge or renewal of an access media badge please contact:
